Project: DAYKNIGHTS
2026
A PIZZA Brand
not normal:)
When knights existed, pizza didn't.
When pizza exists, knights are no more
Helms & Pizza
2 points that were never connected in history
How the brand should be??
Insane
Bringing that tavern vibe into pizza
A brand for the knights- meaning the people need a break from wars.
Bring a feeling of royalty to pizza
Stand out from the Rest to create a trend/lifeStyle
HELMS & PIZZA
Integrating the helm in the logo
DAYKNIGHTS
Integrate
DAYKNIGHTS
A stylised serif typeface for the knights
Day & night
HELMS & PIZZA
HYPE
Final combo mark should be sum like this.
A gothic Ring around the helm, 8 points to show slices of pizza
Helm inside
Instead of a simple logo, why not go for a threshold style.
A dark (very) brown
Royal teal
for very obv reasons
we defo need an off white ong
A deep royal maroon to indicate royal blood & a sense of worthiness
Sat red for a bright voice & hook
For honor
I mean we need a yellow kinda color
Design so sleek the boarding will decide the success
Protect the knights' honour
Every knight deserves a slice!

wooow this so clean and cool

Vizdox . • Il y a 4 jours
The torn-paper edges and the cut-out portrait with a red outline make this portfolio feel energetic and handmade, and the bold condensed type ties it together.

Shreya Goyal • Il y a 4 jours
This is one of the best portfolios I have ever seen, and it's so inspiring. Thanks.
